BRAND GUIDELINES

Aug 2024

OUR VALUES

Natural

We emphasize pure, unprocessed ingredients for better health.

Wellness

We support a healthier and slimmer lifestyle.

Simplicity

Simple, effective, and trustworthy ingredients are used.

WE HAVE THREE VARIATIONS

WALAO LOGO
Our primary logo consists of the full Froggy and a wordmark. We suggest using this logo as the default in all communication channels.

Be aware that the coloured version only used over plain white/black background.

FAVICON
The favicon is suggested for extra-small applications where the Walao logotype is illegible.

WORDMARK
However, our wordmark is suggested for limited space.

AND AN OUTLINED VERSION

WALAO LOGO
Our primary logo consists of the full Froggy and a wordmark. We suggest using this logo as the default in all communication channels.

The outlined version can be used over simple coloured background.

FAVICON
The favicon is suggested for extra-small applications where the Walao logotype is illegible.

WORDMARK
However, our wordmark is suggested for limited space.

WALAO LOGO CLEAR SPACE

Make sure to keep white space around all variation of the logo for better legibility.

The clear space around our logo defined by the width of the crown from the logo itself.

OUR TRUE COLOURS

Fresh Green is our iconic color, symbolizing freshness, naturalness, and health, which directly aligns with our brand's philosophy of utilizing natural fermentation and fresh fruits.

FRESH GREEN HEX #99CC99 RGB 153, 204, 153 CMYK 70, 0, 35, 20	SOFT PEACH HEX #FFD9E9 RGB 255, 217, 233 CMYK 0, 17, 0	OLIVE GREEN HEX #808080 RGB 128, 128, 128 CMYK 25, 0, 25, 25	GOLDEN YELLOW HEX #FFCC00 RGB 255, 204, 0 CMYK 0, 29, 90, 0

Typography

COMBINING OUR FONTS

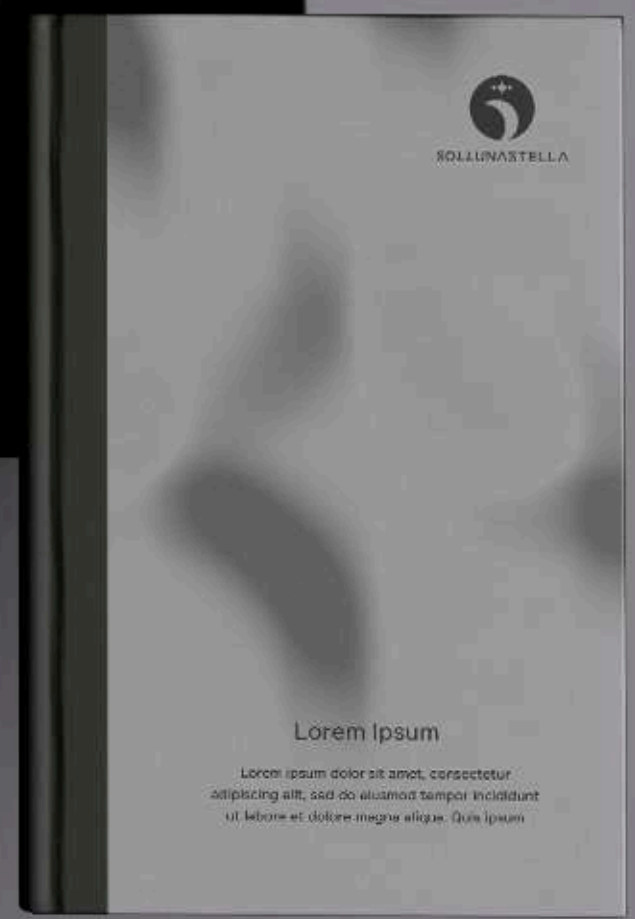

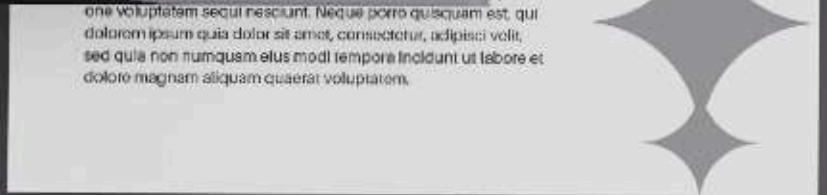

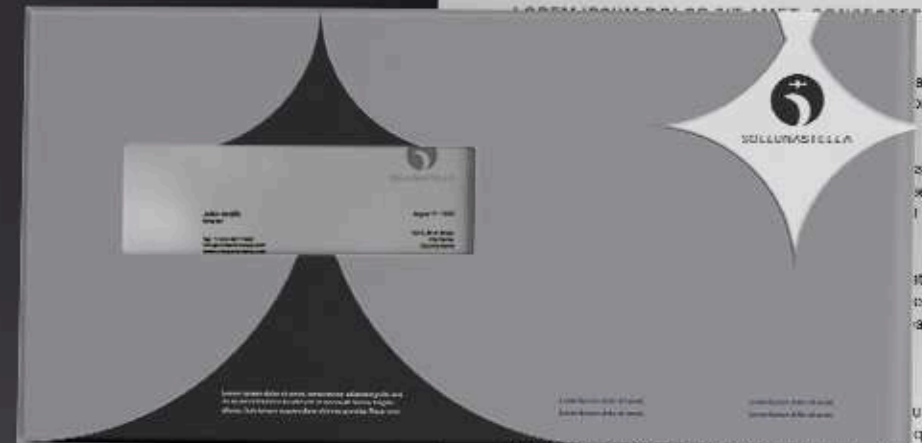

Headline

Using only one typeface for headlines at a time, either Ethnocentric Regular or Ethnocentric Italic, is recommended. It is advisable to avoid using both in a single communication.

Subheading & Body Text

It is acceptable to use Acumin Bold and Acumin Regular together in the same communication wherever necessary to enhance the content's hierarchy.
